PCI Raid Controller >
1x eSATA, 1x SATA, 1x IDE

Description

The Delock Controller card has to be plugged internal to the PCI slot. You can connect hard disks, CD-ROM drives or other devices to the controller card. Due to the Raid function you can connect multiple hard disks logically and raise the data security, the speed or capacity.

Ref.   70156
EAN   4043619701568
