

USB 3.0 Cable Micro-B / A OTG, 0.5m

No.: 31612

Description

Premium cable for use with USB OTG 3.0 enabled devices.

- USB 3.0 SuperSpeed interface for data transfer rates of up to 5Gbps
- USB 3.0 Micro-B Male and USB 2.0 Type A Male (Power Only) to USB 3.0 Type A Female
- USB 3.0 Micro-B is the OTG Host connector
- Fully shielded cable with moulded connectors
- Colour: Black
- Cable length: 0.5m
- 10 year warranty

Please Note: The additional USB Type A Male connector can only be used to provide additional power to the connected USB Peripheral such as a 2.5' HDD.

This USB 3.0 OTG host adapter cable allows you to use OTG functionality with your OTG enabled device.

Connect USB Keyboards, memory sticks, card readers or an external digital camera to your Samsung Galaxy S5, Note 3 or Nokia 2520 Tablet.

An additional USB 2.0 connector provides power for the more demanding accessories, such as 2.5' HDD enclosures that you may wish to connect to your smartphone or tablet.

This high quality cable complies with USB 1.1 USB 2.0 USB 3.0 and USB On-The-Go (OTG) specifications, supporting data transfer speeds up to 5Gbps.

It is fully compatible with USB and USB OTG devices.

As of August 2014 this cable is compatible with Samsung Galaxy S5, Note 3 and Nokia Lumia 2520 Tablet.

If your device is not listed, please check with the manufacture for USB 3.0 OTG compatibility.
