

Quad Display Bracket with Pole and Desk Clamp

No.: 40967

Discreetly mount a single display to a fixed ceiling to floor pole

Description

- Mount four separate monitors to a standard office desk
- Flexible metal arms for easy manoeuvrability of the displays
- Conforms to VESA standards (75 x 75mm and 100 x 100mm)
- Robust, lightweight metal pole with aluminium powder coated bracket
- 2 Year Warranty

The Lindy Quad Display Bracket with pole and desk clamp is a high quality, all in one solution for mounting 4 monitor or displays to a standard office desk or table, perfect for premium PC installations, gaming setups, or broadcast studios. With a robust design and flexible metal arm, the display can be easily manoeuvred to ensure the optimum viewing angle.

This mount will fit most major brands and models of monitor that have a VESA size of 100 x 100 or 75 x75mm. (Compliant to VESA standards - VESA measurements are the recesses on the back of your TV or screen. Please measure these to ensure your TV is compatible with this bracket).

Please note: Please confirm this bracket can support the display's VESA mounting dimensions and weight before ordering
