

## Premium USB 2.0 type C/C, 3m

No.: 41873

### Description

**This product has been discontinued and replaced by Part No [36873](#).**

- USB 2.0 Type C Male to USB Type C Male, with gold plated contacts
- USB 2.0 High Speed Cable for data transfer rates of up to 480 Mbps
- Fully Molded with strain reliefs
- Length: 3m
- 10 year warranty

The LINDY USB 2.0 Type C cables feature two reversible Type C connectors and are not constrained by a Host to Device directional connection that existed under previous USB specifications.

**Important:** This USB 2.0 compatible cable features the reversible Type C connector. Please check that your devices have a USB Type C port before purchasing this cable.
