

## Premium USB 3.1 type C/A, 1.5m

No.: 41912

### Description

**This product has been discontinued and replaced by Part No 36912.**

- USB 3.1 Type C Male to USB Type A Male, stable "seamless" connector with gold plated contacts
- USB 3.1 SuperSpeed+/Gen 2 Cable for data transfer rates of up to 10Gbps
- 100W Power Delivery Compliant (up to 5A) with E-Mark chipset
- Supports DisplayPort Alternate Mode
- Length: 1.5m
- 2 year warranty

The LINDY USB 3.1 Type C to Type A cables feature a reversible Type C connector and are not constrained by a Host to Device directional connection that existed under previous USB specifications.

As well as supporting SuperSpeed+/Gen 2 data transfer rates of up to 10Gbps, the cables are also capable of supporting both Alternative (DisplayPort up to 4K 3840x2160) and 100W Power Delivery modes (5/12/20V at up to 5A are supported).

**Important:** This USB 3.1 compatible cable features the reversible Type C connector, please check that your devices have a USB Type C port before purchasing this cable
