

USB 3.0 & eSATA Enclosure 2,5"

No.: 43166

Description

- Connects a SATA hard drive to your computer's USB 3.0 SuperSpeed port
- Supports data rates of up to 5Gbps, 10 times faster than USB 2.0!
- For use with 2.5" 5Gbps SATA hard drives up to 9.5mm, backwards compatible with 3Gbps and 1.5Gbps hard drives (not included)
- Lightweight, compact design for excellent heat dissipation
- Tool free design for easy drive installation
- Compatible with USB 3.0 equipped PCs and Macs
- 2 year warranty

This USB 3.0 Drive Enclosure turns a normal 2.5-inch SATA hard drive (HDD) or solid state drive (SSD) into a portable, external hard drive. It supports data transfer rates up to 5Gbps via USB 3.0, and is backward compatible with USB 2.0 systems.

It allows you to quickly add an additional 2.5" SATA Hard Drive/Solid State drives to your machine without opening your computer chassis or case. Compact and lightweight the enclosure is highly portable, ideal for mobile applications or temporary desktop backup & storage.

Package Contents:
