

4 Port TOSLINK Optical Audio Splitter

No.: 70403

Description

This very compact splitter allows you to connect a single digital optical SPDIF TOSLINK source to four different TOSLINK equipped devices such as an HDTV, AV amplifier, Hi-Fi and home cinema systems.

Suitable for use with your PS3, CD/DVD Player, set top box, PCs or other Hi-Fi and home cinema equipment.

- 4 Way Digital Optical Audio Splitter
- Allows you to connect one TOSLINK source to four devices
- Supports cables distances of up to 5m in and 5m out (for each output)
- 2 year warranty

Please note: TosLink cables are not included.

We recommend you use cables from the LINDY TosLink Cable or Premium Gold TosLink Cable range.
